

## **WE NEED YOUR USED PRINTER CARTRIDGES!!!**

The Skokie Indians 12U travel team is trying to raise money to help pay for a trip to Omaha. This trip would bring our boys to the Omaha Champions Village for a week long tournament, with a chance to see the College Baseball World Series.

HELP US RAISE MONEY!!! Please save your used printer cartridges from home and/or ask local businesses in the area to donate their printer cartridges.

The Skokie Indians 12U travel team will have a collection box to take your used printer cartridges at the Skokie Indians picture day (Saturday, 5/31/14), and again at the Skokie Indians annual picnic (Saturday, 6/28/14).

We need everyone's participation with this fundraiser to help us reach our goal.

Thank you for your support!!!
